Depasrture Port: Havre

Country of Origin (all passengers) Deutschland

Destination (all passengers): Ohio

General Note: I corrected the age of many passengers (and a few names) when I was associated the names with the line numbers on the manifest. These entries are noted by [Square Brackets]

Note 1: I associated each name from the Ancestry index with the corresponding line number on the manifest image. This name on line 9 was obscured and could not be read.

However, "Christian Rosenstiel" was the only name left over when I had matched all of the other names, but it does not appear to match what can be seen of the name as recorded on the manifest.
